PROFILE

Project manager with a strong academic background and personal commitment to sustainability.

Actively pursuing a career centered on transforming communities and businesses to operate more efficiently and reduce their environmental impacts.

VOLUNTEER & DEVELOPMENT

Kingfield Green Team

Minneapolis, MN Feb 2018 – present

- Identify environmental concerns in the community and coordinate opportunities to change residents' behavior through education and activities

Optum Employee Community Committee

Eden Prairie, MN April 2015 – present

- Fundraise for national and local organizations, through direct Optum funding requests and employee donations and sales
- Organize employee participation within the company and broader Twin Cities through on and off-site volunteer and social events

Lynnhurst Environmental Committee

Minneapolis, MN Aug 2017 – Feb 2018

- Participated in neighborhood association events, incorporating and sharing sustainable methods

Best Prep eMentor

Brooklyn Park, MN June 2013 – Jan 2017

- Mentored high school students through weekly emails, providing advice on professional interaction and communication, and academic and career goals

Consulting Development Program

Eden Prairie, MN June 2013 – Nov 2015

- Completed Optum's leadership development program, including mentorship, community building, and business and technical trainings
- Served as Social Responsibility Lead, planning and promoting program-wide volunteer initiatives

WORK EXPERIENCE

Senior Consultant – Project Manager

Optum, Eden Prairie, MN June 2016 – present

- Manage a team of consultants developing online and mobile apps to improve information access and resources on medical care, costs, and health benefits
- Track timelines, key deliverables, and budgets during project development, reviewing incoming requests to determine feasibility
- Lead presentations and app demonstrations to a wide variety of teams and clients interested in using the online and mobile tools

Consultant – Project Coordinator & Analyst

Optum, Eden Prairie, MN June 2013 – June 2016

- Engaged with senior leaders from client teams to document business needs and research available solutions
- Facilitated contract negotiations from initial engagement through final agreement between client, vendors, and legal councils
- Managed the creation of online and mobile app content and screen designs for clients
